Over the last 25 years, Haematology Cancer Care (HCC) a fund within UCLH Charity has built a committed community of dedicated supporters who have come together each year to raise money for haematology services at UCLH.

To celebrate 25 years of making a difference, HCC is inviting everyone who wants to make a difference to UCLH to join the London Bridgathon and raise money for an area of the hospital they feel passionate about.

So step out for UCLH and make a difference — together we can do more!

# LONDON BRIDGATHON

The London Bridgathon is a fun day out for all ages and abilities. Every year, around 400 patients, families, staff and supporters join the walk, raising over £30,000. Come along, lend your support and help make this year the most successful ever! It's free - there's no registration fee, just bring yourself, friends and family and raise as much sponsorship as you can. Our route takes in some of London's key landmarks including Big Ben, Shakespeare's Globe and the London Eye. Bridgathon walkers receive a T-shirt, map, walking notes and certificate on the day.
